Rocket Power! - CFM Performance

Olds for street [pump gas] use, this is the route I'd recommend "If a guy wanted to push a small-block Olds to the 700-horse level for a racing effort (and believe us, it's possible--Ed), then the diesel block would be worth the extra effort" So, can this '70s-era Rocket 350 be pushed hard enough to win? Only time will tell, but until then,
